First Day of Holiday Challenge	11/23/2023
Last Day of Holiday Challenge	12/24/2023
Total Number of Days	32

Below you will find 32 days of workout suggestions designed to help you reach your Holiday Challenge meter goal. Each year, the number of days for the challenge is different, so be sure you know how many days you have to reach your 100k or 200k goal. Don't forget to take some rest/easy days, too! Use our free app ErgData for easy recording of all your meters or to automatically set up the Workout of the Day (WOD). Note: BikeErg meters count for half the distance when applied to the challenge.
